## If a severe storm is approaching, please do the following:

- SEEK SHELTER IN...
  - An automobile with a metal top and body
  - A dwelling with lightning protection
  - A large building
  - A trailer with a metal body
- AVOID...
  - Beaches & swimming areas
  - Activities on or near the water
  - Open fields, wide open spaces
  - Isolated trees • hilltops, high areas and
  - Unprotected shelters in high areas
  - Wire fences, overhead wires & railroad tracks

For the quickest way home, try these routes...  
 For Syracuse, Northern Suburbs, Thruway:  
 Turn right onto Apulia Rd, left onto Bamerick Rd, left onto Rte 173.  
 For Eastern/Southern locations:  
 Turn left onto Apulia Rd to Rte 20. Take Rte 20 West to I-81 or Rte 20 East to Eastern suburbs.
